POULTRY

Turkeys are high this year, so let us sell you some fat hens for Thanksgiving. We have table poultry and eggs at all times. We have also very fine B. P. Rock and S. C. Buff Orpington Cockerels and pullets for breeding at moderate prices, strong, vigorous and heavy laying stock. No bought stock, but home raised only. We do nothing but raise poultry and eggs, so if you buy from us you will get stock that wins everywhere. We won 12 prizes this year, so you be the judge. Address, John Salopek, Box 1079, El Paso, Texas, or Phone 3830, 8 to 9 mornings.

EAT YOUR NEXT Thanksgiving Turkey IN A Home of Your Own

Would you like to own the home you are now living in? Or would you like to pick your lot and plan your own house? We will lend you the money to do either. You can return the loan in monthly payments of less amounts than you are now paying for rent. In this way you pay rent to yourself instead of the landlord. It is just like putting money in a savings bank; perfectly safe and increasing every day.

El Paso Property That You Buy Today Will Increase in Value 50% By the Time It Is Paid For.

Our terms make it possible for anyone to pay for a home of their own without inconvenience or sacrifice.

EVERY MAN WHO WEARS A ROYAL TAILORED SUIT OR OVERCOAT HAS GOOD REASON TO BE THANKFUL

You will be thankful, too, if you forsake the foolish speculation in ready-made clothes. Royal tailored clothes cost no more than the ready made kind and the garments are made for you—not another man in the world will they fit so well. Let me show you the new suitings and overcoat materials in the latest browns and grays; also, rich novelty serges in blue and black.
